

EXHIBIT D

**IN THE UNITED STATES DISTRICT COURT
FOR THE SOUTHERN DISTRICT OF NEW YORK**

MARC DORN, individually and on behalf all
others similarly situated,

Plaintiff,

v.

EDDINGTON SECURITY, INC.; BOVIS LEND
LEASE LMB, INC.; MARK EDDINGTON,

Defendants.

08 Civ. 10271 (LTS)

**DECLARATION OF
CARYN DONLY**

I, Caryn Donly, declare upon personal knowledge and under penalty of perjury, pursuant to 28 U.S.C. § 1746, that the following is true and correct:

1. I am a Senior Project Administrator for Rust Consulting, Inc. ("Rust"). My business address is 625 Marquette Avenue, Suite 880, Minneapolis, Minnesota 55402-2469. My telephone number is (612) 359-2811. I am over twenty-one years of age and am authorized to make this declaration on behalf of Rust and myself.

2. Rust has extensive experience in class action matters, having provided services in class action settlements involving antitrust, securities fraud, property damage, employment discrimination, employment wage and hour, product liability, insurance and consumer issues. We have provided notification and/or claims administration services in more than 3,000 cases. Of these, more than 900 were Labor & Employment cases.

3. Rust was engaged by Class Counsel and Defendants' Counsel (collectively, the "Parties") to provide notification services in the *Mark Dorn, on behalf of himself and all others similarly situated v. Eddington Security, Inc., et al.* Settlement (the "Settlement"). Duties included: a) preparing, printing and mailing of the *Notice of Proposed Settlements of Class Action and Collective Action Lawsuit and Fairness Hearing* ("Class Notice"); b) receiving and reviewing Opt-Out Statements and Objections; c) responding to Class Member inquiries

regarding the number of weeks worked during the Class Period; d) calculating, drafting, and mailing Settlement Checks to Class Members; and for such other tasks as the Parties mutually agree or the Court orders Rust to perform.

4. Rust obtained a mailing address of Claims Administrator, Dorn v. Eddington Security, Inc., c/o Rust Consulting, Inc., P.O. Box 2396, Faribault, Minnesota 55021-9096 to receive Opt-Out Statements, Objections, undeliverable Class Notices, and other correspondence regarding the proposed Settlement.

5. On or about January 21, 2011, Rust received text for the Class Notice from Class Counsel. A draft of the Class Notice was prepared by Rust and approved by the Parties.

6. On or about January 21, 2011, Defendants' Counsel provided Rust with a mailing list (the "Class List") containing the Class Members names, last known addresses, Social Security Numbers, phone numbers, work location(s), and dates of employment. The Class List contained data for 1,396 potential Class Members.

7. The mailing addresses contained in the Class List were processed and updated utilizing the National Change of Address Database ("NCOA") maintained by the U.S. Postal Service. The NCOA contains requested changes of address filed with the U.S. Postal Service. In the event that any individual had filed a U.S. Postal Service change of address request, the address listed with the NCOA would be utilized in connection with the mailing of the Class Notice.

8. On February 2, 2011, Class Notices were mailed to 1,396 Class Members contained in the Class List via First Class mail. The Class Notice advised Class Members that they could take no action and participate in the Settlement or submit an Opt-Out Statement or an Objection post-marked by April 4, 2011. A true and correct copy of the Class Notice is attached hereto as Exhibit "A."

9. As of this date, Rust has received 262 undeliverable Class Notices. Of the 262 undeliverable Class Notices, Rust performed address traces on 208 undeliverable Class Notices. The address trace utilizes the Class Member's name, previous address and Social Security Number for locating a current address. Address traces were not performed if the Class Member

provided an updated address to Rust, the Class Notice was returned from a previously-traced address, or the Class Notice was returned as undeliverable after the deadline to submit an Opt-Out Statement or an Objection. Of the 208 traces performed, 188 updated addresses were obtained and Class Notices were promptly re-mailed to those Class Members via First Class mail. Of the 188 Class Notices mailed to updated addresses located utilizing the address trace, 51 were returned as undeliverable a second time and not traced. These 51 Class Notices are included in the 262 total undeliverable Class Notices.

10. As of this date, 12 Class Notices were returned by the Post Office with forwarding addresses attached. Class Notices were promptly re-mailed to those Class Members via First Class mail.

11. Rust is responsible for receipt of all Opt-Out Statements for the Settlement. As of this date, Rust has received five (5) Opt-Out Statements. All five (5) Opt-Out Statements were postmarked by April 4, 2011 and are considered timely. True and correct copies of the Opt-Out Statements submitted by these five (5) Class Members are attached hereto as Exhibit "B."

12. As of this date, Rust has received one (1) Objection to the Settlement. A true and correct copy of this Objection is attached hereto as Exhibit "C."

13. As of this date, Rust has received written correspondence from nine (9) Class Members that was not identified as an Opt-Out Statement or as an Objection. Of these nine (9) pieces of correspondence, three (3) Class Members provided either a change of address request or a statement regarding the settlement that did not require a response from Rust. One (1) Class Member, Harry Ramnauth, provided a change of address request, one (1) Class Member, Togba Blamoh, provided a statement that he preferred to receive his entitlement, and one (1) Class Member, Carlton Daly, provided a statement to Class Counsel that was forwarded to Rust. True and correct copies of the correspondence received from these three (3) Class Members are attached hereto as Exhibit "D."

14. Of the six (6) remaining Class Members, the correspondence received was related to the payment calculations and the information used to calculate the estimated settlement payment amounts. True and correct copies of the correspondence received from these six (6)

Class Members, with Social Security Numbers and other personally identifiable information redacted for privacy reasons, are attached hereto as Exhibit "E." Rust drafted, and the Parties approved, a letter ("Workweek Response Letter") to be sent to Class Members requesting the number of weeks taken into account in calculating their estimated award. A true and correct copy of the Workweek Response Letter is attached hereto as Exhibit "F."

15. The specific details regarding the correspondence received from these six (6) Class Members, Rust's responses to the letters, and the resolution of the inquiries are as follows:

i. On February 23, 2011, Rust received a letter from Class Member Arrison Hill which indicated that he disagreed with the payments to Class Counsel and the Class Representative and requested information regarding the number of weeks used to calculate his estimated payment. The Workweek Response Letter was mailed to Mr. Hill on March 11, 2011. Rust received a response on March 28, 2011. The new letter contained a statement that Mr. Hill still does not believe his estimated payment was calculated correctly and copies of pay statements issued to Mr. Hill were enclosed. Rust's review of the pay statements and the information contained in the Class List indicates that the information provided by Mr. Hill is consistent with Defendants' payroll records and Mr. Hill's original weeks were correct. A true and correct copy of the correspondence received from Mr. Hill is included with the correspondence contained in Exhibit "E." A true and correct copy of any and all correspondence mailed from Rust to Mr. Hill is attached hereto as Exhibit "G."

ii. On March 14, 2011, Rust received a letter from Class Member Raymond Merle which requested the number of weeks and indicated that he believes the calculation of his estimated payment was incorrect. Mr. Merle also provided his dates of employment and copies of pay statements. The Workweek Response Letter was mailed to Mr. Merle on March 17, 2011. As of this date, Rust has not received a response to the Workweek Response Letter. Rust's review of the pay statements and the information contained in the Class List indicates that the information provided by Mr. Merle is

consistent with Defendants' payroll records and that Mr. Merle's original weeks were correct.

iii. On March 28, 2011, Rust received a letter from Class Member Bangally Camara which indicated that he believes that his estimated payment was calculated incorrectly. Mr. Camara also enclosed copies of pay statements spanning several years. Rust's review of the pay statements and the information contained in the Class List indicates that Mr. Camara was correct in his assertion that he was employed for more weeks than were used to calculate his estimated payment. Defendants' Counsel has confirmed that Mr. Camara worked an additional 32 weeks during the Class Period and his final weeks will be updated accordingly.

iv. On March 28, 2011, Rust received an e-mail from Class Member Soule Lafia which requested the number of weeks used to calculate his estimated payment. The Workweek Response Letter was mailed to Mr. Lafia on March 29, 2011. As of this date, Rust has not received a response to the letter and the original weeks are therefore assumed to be correct.

v. On March 28, 2011, Rust received a letter from Class Member Jamim Shaikh which indicated that he believes his estimated payment was calculated incorrectly. The Workweek Response Letter was mailed to Mr. Shakikh on April 5, 2011. As of this date, Rust has not received a response to this letter and the original weeks are therefore assumed to be correct.

vi. On April 8, 2011, Rust received a letter from Class Member Craig Asbury which indicated that he disagrees with the calculation of his estimated payment. Mr. Asbury also enclosed a copy of a paystub from prior to the start of the Class Period. The Workweek Response Letter was mailed to Mr. Asbury on April 11, 2011. As of this date, Rust has not received a response to this letter and the original weeks are therefore assumed to be correct.

16. With the removal of the five (5) individuals who submitted valid and timely Opt-Out Statements, the total number of Class Members is 1,391. A true and correct copy of the names of all Class Members is attached hereto as Exhibit "H."

17. The total cost for the administration of this Settlement, including fees incurred and future costs for completion of the administration, is \$25,000.00.

18. I make the foregoing statements upon personal knowledge, based on my own observations.

Executed this 26th day of May 2011.

**NOTICE OF PROPOSED
SETTLEMENTS OF CLASS ACTION AND
COLLECTIVE ACTION LAWSUIT AND
FAIRNESS HEARING**

IMPORTANT LEGAL NOTICE

NAME
ADDRESS
CITY STATE ZIPCODE

**This Notice is sent to you by Order of the
Honorable Laura Taylor Swain,
Judge for the United States District Court,
Southern District of New York.**

If you were employed by Eddington Security, Inc. as a security guard at any time between November 25, 2002 and December 31, 2009, you could receive a payment from two class and collective action settlements.

A federal court authorized this Notice. This is not a solicitation from a lawyer.

A former employee has sued Eddington Security, Inc., Mark Eddington, and Bovis Lend Lease LMB, Inc. ("Defendants"), claiming that they violated the federal Fair Labor Standards Act and the New York Labor Law. The employee sought recovery of, among other things, unpaid overtime wages, unpaid spread-of-hours pay, unpaid license fees and uniform expenses, and other expenses which were deducted from pay, on behalf of himself and other current and former employees.

- In July 2010, the employee who filed the suit and Defendants Eddington Security, Inc. and Mark Eddington settled. Defendants Eddington Security, Inc. and Mark Eddington have agreed to deposit \$850,000 into a fund that will be used to pay current and former employees who qualify. Defendants Eddington Security, Inc. and Mark Eddington deny any wrongdoing, but have decided to settle the case.
- In October 2010, the employee who filed the suit and Defendant Bovis Lend Lease LMB, Inc. settled. Defendant Bovis Lend Lease LMB, Inc. has agreed to deposit \$150,000 into a fund that will be used to pay current and former employees who qualify. Defendant Bovis Lend Lease LMB, Inc. denies any wrongdoing, but has decided to settle the case.
- Based on the formula created in these two settlements, you are entitled to receive approximately \$ _____. This amount is based on the number of weeks you worked for Defendants, which site you worked at, and whether you have already submitted an opt in form to join the Fair Labor Standards Act collective action feature of this case.
- The Court has not decided who is right and who is wrong. Your legal rights may be affected, and you have a choice to make now:

YOUR LEGAL RIGHTS AND OPTIONS IN THESE SETTLEMENTS:

DO NOTHING	Remain part of the case and receive the payment amount identified above.
EXCLUDE YOURSELF	Get no payment. This is the only option that allows you to ever be part of any other lawsuit against Defendants about the legal claims in this case.
OBJECT	Write to the Court about why you do not like the settlements.
GO TO A HEARING	Ask to speak in Court about the fairness of the settlements.

- These rights and options – **and the deadlines to exercise them** – are explained in this notice.
- The Court in charge of this case still has to decide whether to approve the settlements. Payments will be made if the Court approves the settlements and after appeals are resolved. Please be patient.

BASIC INFORMATION

1. Why did I get this Notice?

Defendants' records show that you work or worked for Eddington Security, Inc. as a security guard for at least one week between November 25, 2002 and December 31, 2009.

The Court ordered the parties to send you this notice because you have a right to know about proposed settlements of a class and collective action lawsuit that can affect you, and about all of your options, before the Court decides whether to approve the settlements. If the Court approves the settlements and after objections and appeals are allowed, payments will be mailed to class members who do not exclude themselves (as explained in Paragraph 12).

This case is pending in the United States District Court for the Southern District of New York. The lawsuit is known as *Dorn v. Eddington Security, Inc.*, Case No. 08 Civ. 10271 (LTS). The person who filed the lawsuit is called the "Plaintiff." Eddington Security, Inc., Mark Eddington, and Bovis Lend Lease LMB, Inc. are the "Defendants."

2. What is this lawsuit about?

The Plaintiff who brought this case alleged that Defendants failed to pay Plaintiff and other class members (see Paragraph 3 below) for all of the hours that they worked, failed to pay a full overtime premium for the hours that they worked over 40 in a workweek, failed to pay spread-of-hours pay to employees who worked more than 10 hours in a day, failed to reimburse them for the purchase and laundering of their uniforms, failed to reimburse them for license fees, and made unlawful deductions from their pay.

Defendants deny that they did anything wrong.

3. Why is this a class action?

In a class action, one or more people called Class Representatives sue on behalf of people who have the same or similar claims. The people with the same or similar claims are called Class Members. One court resolves the issues for all Class Members, except those who exclude themselves from the Class, as explained in Paragraph 12 below. The Honorable Laura Taylor Swain, United States District Judge for the United States District Court for the Southern District of New York, is presiding over this class action.

4. Why are there settlements?

The Court did not decide in favor of Plaintiff or Defendants. Both sides believe they would have prevailed at trial, but there was no trial. Instead, all sides agreed to the settlements. That way they avoid the cost of a trial, and the people affected will get compensation. The Class Representative and the attorneys think the settlements are best for all Class Members. After this notice is provided to Class Members and any objections have been received, the Court will decide whether to approve the settlements and allow them to be carried out.

WHO IS IN THE SETTLEMENTS

5. How do I know if I am part of the Class that is covered by the settlements?

You are automatically a member of the Class if you worked for Eddington Security, Inc. as a security guard for at least one week at any time between November 25, 2002 and December 31, 2009. Defendants' records indicate that you are part of the Class.

6. I'm still not sure if I am included.

If you are still not sure whether you are included, you can contact Class Counsel, Outten & Golden LLP, at the phone numbers or address listed at the bottom of each page.

THE SETTLEMENT BENEFITS – WHAT YOU GET

7. What do the settlements provide?

Eddington Security, Inc. and Mark Eddington have agreed to create an \$850,000 fund to be divided among Class Members based on the number of weeks they worked for Defendants, the site(s) at which they worked, and whether they submitted an opt in form to join the Fair Labor Standards Act collective action part of this case before July 12, 2010.

Bovis has agreed to create a \$150,000 fund to be divided among Class Members who worked at the 130 Liberty Street site based on the number of weeks they worked for Defendants at that site, and whether they submitted an opt in form to join the Fair Labor Standards Act collective action part of this case before October 14, 2010.

A portion of the expenses of administering the settlements, any award of attorneys' fees and costs (see Paragraph 16 below), and any service award made to the Class Representative (see Paragraph 16 below) will be deducted from these settlement funds before the payments to Class Members are determined. In the event that less than \$25,000 remains after all payments to Class Members have been made, the remaining money will be donated equally to two charities, the National Employment Law Project and Make the Road New York.

8. How much will my payment be?

Based on the formula in the settlement agreements, you will be entitled to receive approximately \$<<AWARD>>.

If you would like to obtain information about the number of weeks that were taken into account in calculating your award, please contact the Claims Administrator. You may also challenge this calculation by sending a letter to the Claims Administrator before April 4, 2011, explaining why you believe the calculation is incorrect and providing any documentary support for your challenge. The Claims Administrator's decision will be final and binding.

HOW YOU GET A PAYMENT

9. How can I get my payment?

You do not need to do anything to receive the payment identified in Paragraph 8. If you choose to exclude yourself (as explained in Paragraph 12 below), then you will not receive a payment.

10. When will I get my payment?

The Court will hold a fairness hearing on June 10, 2011 at 2:00 p.m. to decide whether to approve the settlements. If the Court approves the settlements, then your payment will be mailed to you within 5 days after the date when the Court's judgment and ruling on the Plaintiff's motions for service payment and attorneys' fees have become final, meaning either (i) 31 days after the Court has entered the judgment and no appeal or motion is pending, or (ii) the day after any and all avenues of rehearing, reconsideration, and appeal have been exhausted, no further rehearing, reconsideration, or appeal is permitted, the time for seeking such review has expired, and the judgment and rulings have not been modified, amended, or reversed in any way, whichever applies.

11. What am I giving up by staying in the Class?

Unless you exclude yourself (as explained in Paragraph 12 below), you will remain in the Class. That means that you cannot sue, continue to sue, or be a party in any other lawsuit against Defendants about the legal issues in this case. It also means that all of the Court's orders will apply to you and legally bind you.

EXCLUDING YOURSELF FROM THE SETTLEMENTS

If you want to keep the right to sue or continue to sue Defendants on your own about the legal issues in this case, then you must exclude yourself from the Class. The process of excluding yourself is also referred to as “opting out” of the Class.

12. How do I opt out of the settlements?

To exclude yourself from the settlements, you must send a letter by U.S. mail saying that you want to be excluded from *Dorn v. Eddington Security, Inc.*, Case No. 08 Civ. 10271 (LTS). Be sure to include your name, address, telephone number, and your signature. Your exclusion request must be postmarked no later than **April 4, 2011** and must be mailed to:

Claims Administrator
Dorn v. Eddington Security, Inc.
Rust Consulting, Inc.
P.O. Box 2396
Faribault, MN 55021-9096

If you ask to be excluded, you will not receive a settlement payment, and you cannot object to the settlements. You will not be legally bound by anything that happens in this lawsuit. You may also be able to sue (or continue to sue) Defendants in the future about the legal issues in this case. If you wish to exclude yourself in order to file an individual lawsuit against Defendants, you should speak to a lawyer as soon as possible because your claims are subject to a statute of limitations, which means that they will expire on a certain date.

13. If I don't exclude myself, can I sue Defendants for the same thing later?

No. Unless you exclude yourself, you give up any rights to sue Defendants for the same claims in this case. If you have a pending lawsuit, speak to your lawyer in that case immediately to see if these settlements will affect your other case. Remember, the exclusion deadline is April 4, 2011.

14. If I exclude myself, can I get money from these settlements?

No. If you exclude yourself, you will not receive any money from this lawsuit. But, you may sue, continue to sue, or be part of a different lawsuit against Defendants regarding these same claims.

THE LAWYERS REPRESENTING YOU

15. Do I have a lawyer in this case?

The Court decided that the lawyers at the law firms of Outten & Golden LLP and The Ottinger Firm, PC are qualified to represent you and all Class Members. These lawyers have been designated as “Class Counsel” in this lawsuit. They are experienced in handling similar cases against other employers. More information about Outten & Golden LLP, their practice, and their lawyers’ experience is available at www.outtengolden.com. More information about The Ottinger Firm, PC, their practice, and their lawyers’ experience is available at www.ottingerlaw.com.

16. How will the lawyers be paid?

Class Counsel will ask the Court to approve payment of up to \$333,000 (33.3% of the settlement funds established by Defendants) to them for attorneys’ fees. The fees would pay Class Counsel for investigating the facts, litigating the case, and negotiating the settlements. Class Counsel will also ask the Court to approve payment of up to \$20,000 for their out of pocket costs. In addition, Class Counsel will ask the Court to approve a payment to the Class Representative for his service to the Class in the amount of \$10,000. The Court may award less than these requested amounts.

OBJECTING TO THE SETTLEMENTS

You can tell the Court that you don't agree with the settlements or some part of it.

17. How do I tell the Court that I don't like the settlements?

You can object to the settlements if you don't like any part of them. If you do object to the settlements, you should give reasons why you think the Court should not approve them. The Court will consider your views. To object, you must send a letter via U.S. Mail saying that you object to *Dorn v. Eddington Security, Inc.*, Case No. 08 Civ. 10271 (LTS). Be sure to include your name, address, telephone number, your signature, and the reasons why you object to the settlements. Mail the objection via U.S. Mail to:

Claims Administrator
Dorn v. Eddington Security, Inc.
Rust Consulting, Inc.
P.O. Box 2396
Faribault, MN 55021-9096

Your letter must be postmarked no later than **April 4, 2011**.

Do not contact the Court directly for any reason.

18. What's the difference between objecting and excluding?

Objecting is simply telling the Court that you don't like something about the settlements. You can object only if you remain in the Class. Excluding yourself is telling the Court that you don't want to be part of the Class. If you exclude yourself, you have no basis to object because the case no longer affects you.

THE COURT'S FAIRNESS HEARING

The Court will hold a fairness hearing to decide whether to approve the settlements. You may attend, but you don't have to. If you wish to bring anything to the Court's attention about the settlements, you should provide it in writing to the Claims Administrator according to paragraph 17 above, who will provide your letter to the Court before the fairness hearing.

19. When and where will the Court decide whether to approve the settlements?

The Court will hold a fairness hearing at 2:00 p.m. on June 10, 2011 at the United States District Court for the Southern District of New York, 500 Pearl Street, New York, New York, in Courtroom 11C.

At this hearing the Court will consider whether the settlements are fair, reasonable, and adequate. If there are objections, the Court will consider them. After the hearing, the Court will decide whether to approve the settlements. We do not know how long it will take for the Court to decide whether to approve the settlements.

20. Do I have to come to the hearing?

No. Class Counsel will represent you at the hearing. You are welcome to come at your own expense. If you send an objection, you do not have to come to Court. As long as you mailed your written objection on time, the Court will consider it. You may also pay your own lawyer to attend, but it is not necessary.

21. May I speak at the hearing?

You may ask the Court for permission to speak at the Fairness Hearing. To do so, you must send a letter stating, "Notice of Intention to Appear in *Dorn v. Eddington Security, Inc.*, Case No. 08 Civ. 10271 (LTS)." Be sure to include your name, address, telephone number, and your signature. Your Notice of Intention to Appear must be postmarked no later than April 4, 2011 and be sent to the Claims Administrator at the address in Paragraph 17. You cannot speak at the hearing if you exclude yourself from the settlements.

GETTING MORE INFORMATION

22. Are there more details about the settlements?

You can obtain more information about the settlements, obtain a copy of the settlement agreements, or review court documents filed in the case by contacting Class Counsel at the address and/or telephone numbers below.

Dear: Sir/Madam

Re: Dorn vs Mark Eddington Class Action Case No.08 Civ. 10271 (LTS).

I contest \$10,000 for a Class Representative. "Out of pocket cost" is ridiculous. Why is one third of the settlement, right off the top for lawyers?

I like to request a copy of how many weeks I worked for Mark Eddington Security Inc and what formula this counsel is using to determine how much should be my share of settlement.

I worked for Eddigton Security Inc, for a many months. I went through the enslavement as an employee, the whole nine yards. I think I should be compensated properly.

Dear: Sir/Madam

Re: Dorn vs Mark Eddington Class Action Case No.08 Civ. 10271 (LTS).

The claims administrator told me that there was no Class Certification issued at the time. A good reason Opt-in form was not submitted in my name? The last conversation I had with Jennifer Liu. I did not claim I worked at 130 Liberty Street site.

I never received any option notice previously. I never knew what Opt-in was. In fact, I end up calling the Feds, who directed my phone call to the State Department of Labor.

My former employer Eddington Security made uniforms, license fees deductions, owed me numerous unpaid one(s) or two(s) hours unpaid overtime wages. As a result, I have become a victim of an unfair labor practice. Uniform fees \$135.00 license \$151.25, a copy of the paystubs attached.

I worked full time 40hrs x 38wks a total of 1520hrs before the time questioned. The last letter I send to you I wanted to know how this amount; \$135.82 was formulated because the Eddington's uniform & license fees alone, was \$288.25; oppose to \$135.82. This figurative mathematics does not add up or make no sense to me.

IMPORTANT LEGAL NOTICE

- 004

RAYMOND MERLE
75-13 101 AVE APT 3R
OZONE PARK, NY 11416

This Notice is sent to you by Order of the
Honorable Laura Taylor Swain,
Judge for the United States District Court,
Southern District of New York.

If you were employed by Eddington Security, Inc. as a security guard at any time between November 25, 2002 and December 31, 2009, you could receive a payment from two class and collective action settlements.

A federal court authorized this Notice. This is not a solicitation from a lawyer.

A former employee has sued Eddington Security, Inc., Mark Eddington, and Bovis Lend Lease LMB, Inc. ("Defendants"), claiming that they violated the federal Fair Labor Standards Act and the New York Labor Law. The employee sought recovery of, among other things, unpaid overtime wages, unpaid spread-of-hours pay, unpaid license fees and uniform expenses, and other expenses which were deducted from pay, on behalf of himself and other current and former employees.

- In July 2010, the employee who filed the suit and Defendants Eddington Security, Inc. and Mark Eddington settled. Defendants Eddington Security, Inc. and Mark Eddington have agreed to deposit \$850,000 into a fund that will be used to pay current and former employees who qualify. Defendants Eddington Security, Inc. and Mark Eddington deny any wrongdoing, but have decided to settle the case.
- In October 2010, the employee who filed the suit and Defendant Bovis Lend Lease LMB, Inc. settled. Defendant Bovis Lend Lease LMB, Inc. has agreed to deposit \$150,000 into a fund that will be used to pay current and former employees who qualify. Defendant Bovis Lend Lease LMB, Inc. denies any wrongdoing, but has decided to settle the case.
- Based on the formula created in these two settlements, you are entitled to receive approximately **\$2,523.24**. This amount is based on the number of weeks you worked for Defendants, which site you worked at, and whether you have already submitted an opt in form to join the Fair Labor Standards Act collective action feature of this case.
- The Court has not decided who is right and who is wrong. Your legal rights may be affected, and you have a choice to make now:

YOUR LEGAL RIGHTS AND OPTIONS IN THESE SETTLEMENTS:

DO NOTHING	Remain part of the case and receive the payment amount identified above.
EXCLUDE YOURSELF	Get no payment. This is the only option that allows you to ever be part of any other lawsuit against Defendants about the legal claims in this case.
OBJECT	Write to the Court about why you do not like the settlements.
GO TO A HEARING	Ask to speak in Court about the fairness of the settlements.

- These rights and options – **and the deadlines to exercise them** – are explained in this notice.
- The Court in charge of this case still has to decide whether to approve the settlements. Payments will be made if the Court approves the settlements and after appeals are resolved. Please be patient.

date of birth [REDACTED]

Dear: Claims Administrator.

my Name is BANGALLY CAMARA. I am one of the employee of mark Eddington Security Inc. I'm employee in this company since 2007. I had received a letter about a former employee has sued Eddington Security Inc, and Bovis Lend Lease LMB (defendants).

The letter said, Base on the formula created in these two settlements, I entitled to receive approximately \$243.04. This amount is base on the number of weeks I worked for Defendants, which site I worked at.

I am writting this letter to you, because I have challenge this calculation, now I will provide you the prove and documents supporting my challenge. First I am employee for mark Eddington Security Inc, since 2007. I have worked for them upto 4 years now, and I had worked more than 10 different sites. I never get paid overtime wages, I get unpaid spread-of hours pay, I get unpaid license ~~and~~ fees and uniform expenses, and other expenses which were deducted from pay, never paid for holiday or every year vacation. Every employee must take vacation and get paid for it, but I had never take vacations or get paid for it. Because when I want to take vacation,

they never allowed me. They always said, I didn't worked full time for one year, even though I had work full time more than 3-4 year now. they said, I have to work full time for completely one year in order I can get vacation or get paid for it. Furthermore I know some one who just work for them less than 2 years, he gonna receive approximately \$4000.00. dollar. Why should I receive only \$200.04 when I had work more than 3 year. also some time they always get amounts from my paid check, they will state in my paid check "owed for pre pay, Recover loan."

According to my calculation on base on the weeks and sites that I had worked, I should receive approximately more than even \$7500.00. however those documents will be my prone.

Sincerely

Dear Sir or Madam:

I am Jamim Shaikh an employee of Eddington Security, Inc. and working since 2003. I got the legal notice about DORN V. EDDINGTON SECURITY, INC. so I like to remain the case. However, Claim Administrator record indicates, that I am only entitled to receive approximate \$1,261.66 which is incorrect in my calculation. Therefore, I am objecting about the reward calculation.

Thank you, for your time and please recalculate my working hours.

Sincerely,

Jamim Shaikh.

To Whom It My Concern:

Can you please send me information about the number of weeks that were taken into account. I challenge the calculation of the amount \$75.06. I was working with Eddington Assoc. before Nov 25, 2002 - Dec 31, 2009.

My Name Craig Isbany
69 West 225 Street
Bronx, N.Y. 10463
Telephone - (718) 562-7736

I object with the settlement Amount Stated \$75.06. I had worked with Eddington + Assoc. during that time + after. Because of working in such conditions (wearing no Surgical Masks) in the Area in which I worked, Overtime was not paid correctly. And there were fees that were deducted from my pay that I object to. I enclosed a pay stub for you to look at. Please send it back when you are finished to the Address above.

RE: *Dorn v. Eddington Security, Inc.*, Case No. 08 Civ. 10271 (LTS)

Dear «Firstname» «Lastname»:

We have received your written request for the number of work weeks that were used to calculate your estimated settlement share for the *Dorn v. Eddington Security, Inc.* settlement.

According to Defendant Eddington Security's records, you worked as a security guard for a total of <<WEEKS>> full weeks between November 25, 2002 and December 31, 2009 and you <<did/did not>> work at the 130 Liberty Street site. Court records further show that you <<did/did not>> previously submit an opt-in form to join the Fair Labor Standards Act collective action part of this case. This is the information that was used to calculate your estimated share of the settlement as printed in your Notice.

As explained in your Notice, Eddington Security, Inc. and Mark Eddington have agreed to create an \$850,000 fund to be divided among Class Members based on the number of weeks they worked for Defendants, the site(s) at which they worked, and whether they submitted an opt in form to join the Fair Labor Standards Act collective action part of this case before July 12, 2010.

Bovis has agreed to create a \$150,000 fund to be divided among Class Members who worked at the 130 Liberty Street site based on the number of weeks they worked for Defendants at that site, and whether they submitted an opt in form to join the Fair Labor Standards Act collective action part of this case before October 14, 2010.

If you believe that the above work weeks and employment information stated above are incorrect, you may challenge this information by sending a separate letter to the Claims Administrator **before April 4, 2011**, explaining why you believe the calculation is incorrect and providing any documentary support for your challenge. The Claims Administrator will review your challenge and any supporting documentation you provide and its decision with regard to the number of weeks will be final and binding.

If you do not provide a challenge as to the number of weeks or other information by the deadline stated above, the original information will be deemed to be valid and will be used to calculate your share of the settlement.

Sincerely,

Claims Administrator

Dear Arrison Hill:

We have received your written request for the number of work weeks that were used to calculate your estimated settlement share for the *Dorn v. Eddington Security, Inc.* settlement.

According to Defendant Eddington Security's records, you worked as a security guard for a total of 38 full weeks between November 25, 2002 and December 31, 2009 and you did not work at the 130 Liberty Street site. Court records further show that you did not previously submit an opt-in form to join the Fair Labor Standards Act collective action part of this case. This is the information that was used to calculate your estimated share of the settlement as printed in your Notice.

As explained in your Notice, Eddington Security, Inc. and Mark Eddington have agreed to create an \$850,000 fund to be divided among Class Members based on the number of weeks they worked for Defendants, the site(s) at which they worked, and whether they submitted an opt in form to join the Fair Labor Standards Act collective action part of this case before July 12, 2010.
